RE: RWIEF Contribution

Dear Chapter 41:

This will acknowledge, with our sincere thanks, receipt of a check from IRWA Chapter 41 in the amount of \$250.00 to the Right of Way International Education Foundation in memory of Butch Rossetti.

These funds, combined with contributions from other individuals, companies, IRWA chapters and regions, will enable the Foundation to continue its financial support of the IRWA Professional Development Committee's goals of updating existing and developing new IRWA courses. Support such as yours is critical to ensuring that the IRWA will be able to continue to provide a quality education curriculum for its members.

Once again, thank you. Your contribution is very much appreciated.

Sincerely,

Right of Way International  
Education Foundation
