Chapter 41 Update

Passing the Gavel

*Tim Bunkers, SR/WA, R/W-NAC
Chapter 41 President*

On June 25th at the Chapter 41 Installation Banquet held at Baratta's in Des Moines, the gavel was passed from our Past President Don Corrigan to me as the new President of Chapter 41. This is a distinct honor and privilege, and I'm grateful for this opportunity to serve. I would like to thank Don for his leadership over the past 18 months, which was 6 months more than he originally volunteered for due to the bylaws change that moved our fiscal year. As the President Elect serving with Don, it was apparent that Don's years of IRWA involvement paid off in many ways, and he handled this extended assignment with grace and value even though it took a considerable amount of his time. Thank you Don! I will continue to look your way for guidance this year and we'll all value your continued presence.

The past two months this summer have been busy for everyone, including me. My family and I have moved to another state! Our time has been spent selling a house and purchasing a house, along with getting my son and wife settled in prior to the new school year in a new school, new home, and new state. My employer has provided me the opportunity to do my job from the corporate office in Tulsa, OK. They have also encouraged me to continue existing work requirements in Iowa and my responsibilities serving as President of Chapter 41. This will allow for my full attention and resources to serve my term and I am looking forward to doing so.

First on our Chapter activity list will be getting the word out on our next meeting. It is scheduled for Friday, September 23rd and will be held at ITC Midwest office in Cedar Rapids. Once again as we have tried on a few past chapter meetings, we will make this meeting available through video conference and voice conference. We will require prior RSVP from all to set up the number of attendees.

I have asked Joe Anderson (President Elect) to provide a report showing the past meeting locations along with membership location. It was apparent that the highest concentration of our membership is in the Des Moines/Ames and Cedar Rapids regions and our meeting locations were also concentrated in these regions. But with the technology today Chapter 41 should be able to reach out to the other parts of Iowa to allow for more participation and benefits to those that don't get the opportunity to attend the Chapter meeting and events.

Second on the list will be asking for volunteers to become committee chairs and to serve in various ways. Chapter 41 leadership is comprised of all volunteers and so are the committees that support our Chapter. And speaking of membership, please feel free to invite someone to a meeting or event and even invite them to join. If you don't ask, they won't join.

We are looking forward to seeing you or hearing from you at our September 23rd meeting. As usual we encourage those who have recently joined the chapter to come to the next meeting to receive your membership pin and certificate.

If you have any questions, suggestions or concerns please contact me at tbunkers@ufsrw.com or call me at 515-314-1900. Also please visit our Chapter website at www.irwa41.org to keep up to date with Chapter 41 happenings.

Old Business

Mini Best Practices Session. Tim will have additional information at the next meeting. Tim will be working with Rita Rasmussen to obtain additional information for the meeting.

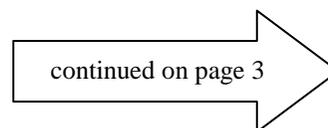

50th Anniversary 2013. Chapter 41 will be celebrating its 50th Anniversary in 2013 and would like to celebrate the event at the Spring Forum that year. It would be wonderful if Nebraska Chapter would like to be a part of the celebration. Tim Bunkers would like anyone interested in helping with the 50th Anniversary celebration to contact him with any historical information or ideas that might make the event extra special for all! There is time to get information together before the 2013 Spring Forum! Remember, it is a wonderful time to learn more about your chapter and the history associated with it!

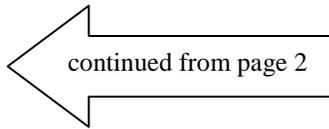

New Business

Nominations for Professional of the Year need to be submitted soon.

Atlanta Conference Report

Vicky Kitelinger reported that she enjoyed the experience. Vicky reported that Casino Night was well received by attendees; auction results were very beneficial, too. Three of the prizes went to Chapter 72; a puppet representing their incoming President went for around \$3,500; and the hunting knife went for around \$1,500. Next year will probably consist of only the Casino Night event, and there will probably not be an auction.

Nashville, TN, beat out Omaha and Virginia Beach for the location of the 2016 Conference. They really did a great presentation!

New IEC member elected, who ran from the floor, was Wayne Gross of Shreveport, LA. He ran against Mary Ann Marr.

An increase in dues was passed.

Vicky went to a seminar on "How to Get Your SRWA." Experience could be used for credit.

The 2012 Conference will be held in Seattle, WA.

Local Chapter News

Don Corrigan, President of Chapter 41, stated how much he enjoyed his term as President and all those who helped make the experience a true pleasure. Don also was presented with his Past President Plaque.

Tim Bunkers will be moving to Tulsa, OK, soon. Good luck, Tim! Tim stated he will be a part of Region 3 for two more years.

Chapter Drawings

The lucky winner of the drawing for the \$50.00 door prize was Joe Anderson. Joe is our new President-Elect; he is also Chapter 41 Professional of the Year 2010. Congratulations, Joe!

Winner of a drawing for a free year of membership dues was Amy Walter. The \$1,000.00 Educational Assistance prize went to Mark Holm.

Employer of the Year was the City of Cedar Rapids, IA. Congratulations!

Our next meeting will be held in the Cedar Rapids area and is planned for September 2011.

A motion to **adjourn** the meeting was made at 6:40 p.m., seconded, and approved by all members present.
